

A “family” account must be created for anyone registering with Pioneer Region and USA Volleyball. The account operates like a “Household.” It can be an account for one person or a whole family.

First, an account must be created with a Primary account holder who **MUST** be an adult/parent/guardian. That person does not need to become a member.

When you go to purchase your child’s membership you will click “Add a Child” when it asks, “who is this membership for?” Then, your athlete will have a profile added to your “household” where you can view the membership, membership card, and eligibility.
